### Preventive Services Recommended by the USPSTF

The CPT/HCPCS codes listed on this grid must be billed with the corresponding ICD.9 codes listed for coverage under Health Care Reform.  
Additional details are found in the [Women's Preventive Care Provision of Health Care Reform](#) document.

**Notes: Customer Care Specialists (CCS) Should NOT instruct callers on how to bill services. These codes are for Health Care Reform only. Humana has additional codes configured in the system that will pay as preventive. Some codes may not be currently active or are termed.**
